

Newton Toney Parish Council – *statement from the Chairman, Cllr Mike Hewitt*

It is with regret that I shall be resigning from Newton Toney Parish Council at the Annual Parish Meeting of May 12th 2010. I have spent thirteen years either as a District Councillor, Wiltshire Unitary Councillor and now as your Chairman of the Parish Council which I have thoroughly enjoyed.

Now I am no longer a Unitary Council representative for your area (with the change of boundaries), we are now looking for a new Chairman of Newton Toney Parish Council and also with the vacancies arising at the Annual Parish Meeting we require new people from Newton Toney to come forward to stand as Parish Councillors and possibly Chair the Council. This is a very rewarding position and I am sure if you came forward you would enjoy this very satisfying position. If you believe that things should change in Newton Toney this is a way for you to get involved and change it.

If you require any further information then please contact myself at mike@mikehewitt.fsnet.co.uk or telephone 01980 610301 or alternatively the Parish Clerk, Melanie Thomas on 01980 863802, newtontoney@googlmail.com
